Subject: State of Hawaii Required Filing In Accordance With FCC Public Notice DA 07-4168.

The State of Hawaii, in response to the Commission's direction published in DA 07-4168 on October 5, 2007 files the following information about its installed 700 MHz systems as of 30 August 2007:

1) The total number of narrowband mobile and portable handsets in operation in channels 63 and 68, and in the upper 1 megahertz of channels 64 and 69:

180 in the State of Hawaii System with 20 more ready to deploy.

2) The areas of operation of the mobile and portable units:

Statewide (State of Hawaii).

3) The total number of narrowband base stations serving these handsets in operation:

*Four fixed sites have been installed. **One of them is at 764.20625 MHz.** The other three are not in channels 63 and 68 (764-767/794-797 MHz), nor in the upper 1 megahertz of channels 64 and 69 (775-776/805-806 MHz).*

4) The location, in latitude and longitude, of the identified base stations:

*21 18 34 N 157 51 29 W 774.04375 MHz
21 15 45 N 157 42 15 W 774.03125 MHz
19 42 02 N 155 04 51 W 774.04375 MHz
21 15 55 N 157 48 05 W **764.20625 MHz***

5) Contact information for each identified set of handsets and base stations, as appropriate:

Contact point for all State of Hawaii 700 MHz radios is: Tom Koontz; 1177 Alakea St., Room 201, Honolulu, HI 96813; 808-586-1930 ext 612; Thomas.L.Koontz@Hawaii.gov

In addition please note that the State of Hawaii has another nine repeaters in our warehouse awaiting installation. These repeaters are tuned and programmed to 700 MHz frequencies in our original license. Of these nine repeaters, five are programmed for operation in channels 63 and 68, and in the upper 1 megahertz of channels 64 and 69 and the other four are not. We are in the process of filing a waiver to include these five repeaters as if they were installed as of 30 August 2007. These repeaters are tuned/programmed as follows:

- 1) Tx 764.181250 MHz Rx 794.181250 MHz
- 2) Tx 764.156250 MHz Rx 794.156250 MHz
- 3) Tx 764.218750 MHz RX 794.218750 MHz
- 4) Tx 764.168750 MHz RX 794.168750 MHz
- 5) Tx 764.193750 MHz Rx 794.193750 MHz

Respectfully submitted,

Thomas L. Koontz
Telecommunications Planner
State of Hawaii

Subject: 700 MHz Relocation Certification Information, PS Docket No. 06-229; WT Docket No. 96-86 and DA 07-4168

Dear Mr. Koontz:

Thank you for your correspondence received October 15, 2007, which you filed pursuant to our *Public Notice*, DA 07-4168 (released October 5, 2007), entitled "Public Safety and Homeland Security Bureau Announces an October 23, 2007 Deadline for Filing 700 MHz Relocation Certification Information."¹ For convenience, we attach a copy of the *Public Notice* to this letter.

After reviewing your filing, it appears that some of the required information is either lacking or in need of clarification. In order to ensure that we are in full receipt of the information required by the *Public Notice*, we describe below the additional information we ask you to submit at your earliest convenience, but no later than January 11, 2008.

The *Public Notice* required submission of the following information:²

1. the total number of narrowband mobile and portable handsets in operation in channels 63 and 68 (764-767/794-797 MHz), and the upper 1 megahertz of channels 64 and 69 (775-776/805-806 MHz);
2. the areas of operation of the mobile and portable units (such as defined by the jurisdictional boundaries of the relevant public safety departments);
3. the total number of narrowband base stations serving these handsets in operation;
4. the location, in latitude and longitude, of the identified base stations; and
5. contact information for each identified set of handsets and base stations, as appropriate.

Additionally,

6. the above information was to be accurate as of August 30, 2007; and
7. the filing was to have been accompanied by a certification, signed by an authorized party, stating that the information provided is true, complete, correct, and made in good faith.

¹ *Public Notice*, DA 07-4168 (rel. Oct. 5, 2007).

² *Id.* at 2.

Our review of your filing indicates that you provided information addressing (1), (2), (3), (4), (5), and (6), but information required by (7) is lacking.

Requested Information:

Specifically, our review of your filing (copy attached) indicates that you did not certify the information, as required by (7) above. Please return the enclosed copy of your filing along with a certification that states as follows:

The undersigned certifies, as an authorized representative of the State of Hawaii, that the information included herein is true, complete, correct, and made in good faith.

Signed: [name, title]

Dated: [date]

You may file this information with the Commission in the same manner that you submitted your prior filing (see attached *Public Notice* at pages 2-3).

As stated above, we seek to ensure that your earlier submission is properly supplemented so that we are in receipt of a complete response to the Public Notice. If you have questions concerning the information we request, or the procedures for submitting this information to us, please feel free to contact Gregory F. Intoccia, Attorney, (202) 418-1470, gregory.intoccia@fcc.gov. Thank you for your prompt attention to this matter. As noted above, we request that you submit this information at your earliest convenience, but no later than January 11, 2008.

Sincerely,

A handwritten signature in black ink, appearing to read "Erika E. Olsen". The signature is fluid and cursive, with the first name "Erika" being more prominent.

Erika Olsen

Deputy Chief

Public Safety and Homeland Security Bureau
